

Team Program

Share the love – form a team! Being part of a team is a great way to get some extra support. Any group of three or more riders can ride together and share the experience! In addition to fun and prizes, every team can take advantage of these benefits:

- A **“team” fundraising account** in addition to your individual rider accounts. At the start of the ride, the money in your team account is divided equally among the riders on your team, and added to your individual fundraising total.
- **Reduced fundraising minimums** for your team.
For a team of three or more 3-day riders, take \$1,000 off your team fundraising minimum. For five or more riders, take \$2,000 off your team fundraising minimum – it’s like getting a team member free!
For a team of five 1-day riders, we’ll take \$350 off the team fundraising minimum (\$1,400 instead of \$1,750 – that’s like getting a team member free!).
- The team that raises the most money per rider as of the date of the Ride will be recognized at **PEC’s 42nd Philadelphia Dinner to be held in June, 2012, and team members will be invited as PEC’s guests.**
- The team that raises the most money total will **win an open bar happy hour at Yards Brewery.**
- Receive a **design for a custom jersey**, just for your team. The design is complimentary; you may purchase the jerseys at cost.
- The **support of fellow teammates** as you train together toward a common goal.

Frequently Asked Questions

Do we all have to register at the same time? No! Each team member can register as soon as you’re ready to start. In fact, we encourage you to register (and start your preparations) as soon as you know that you want to ride. As soon as the third rider is registered, reach out to your coach and we’ll make your team official and set up the team fundraising account. You can continue to add team members right up until the Ride.

If someone on our team can’t ride, can we make a substitute? Once someone becomes a member of your team, they remain so even if they are unable to ride. However, you are welcome to add additional members to your team right up until the Ride starts.

Can volunteer Crew members be on our team? Absolutely! In fact, having Crew members on your team can be a great boost: They can help your team fundraise (without having any fundraising requirement of their own), can take part in team events leading up to the Ride, and they can help build your team’s presence at your company.

How do we register? Online at www.environmentride.org or by phone at 866.858.6877.
